“Figure 1” Exploded View

INSTALLATION INSTRUCTIONS:

1. Set leveling tab (1) onto the ear of the push tube shown in *Figure 2*.
2. Align the two tab supports (2) up to the leveling tab (1) and insert bolt (3) with a washer (5) into the large hole shown in *Figure 3*. Then place 5/8" lock washer (6) onto the bolt and tighten the nut (4) loosely. Repeat on opposite side.
3. Insert the 3/8" bolts (7) into the brackets shown in *Figure 4*. Loosely tighten down with flange nuts (8).
4. After everything is attached tighten down all of the hardware evenly.
