

'95-'04 Honda Foreman Winch Mount

TRX400 / TRX450 S / TRX450 ES

Winch Mount

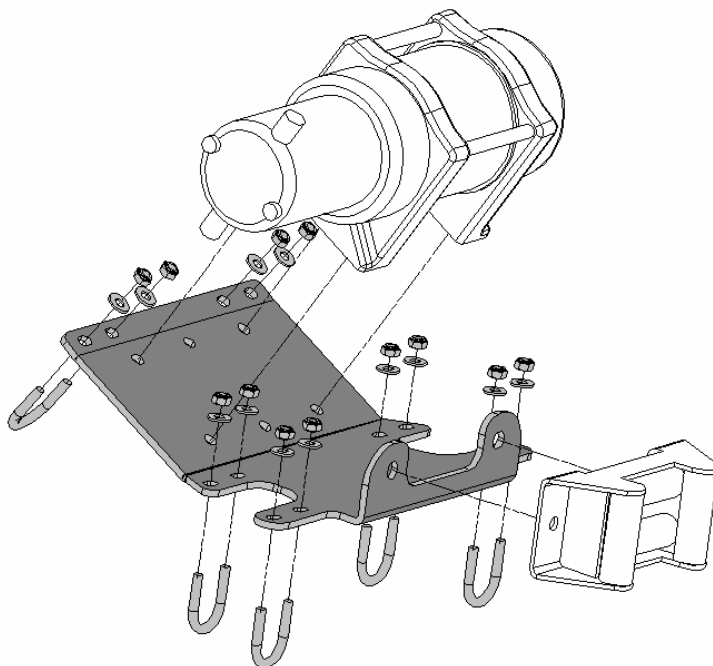

PART # 100545

Kit Components:

<u>Qty</u>	<u>Part Description</u>
1.....	Winch Mount
6.....	1/4"-20 x 1" x 1-1/2 " U-Bolt
12.....	1/4" Nylock Nuts
12.....	1/4" Flat Washers

INSTALLATION INSTRUCTIONS:

1. There is some wiring that may be in the way of the mounting location. If needed unplug the wiring harnesses for the front lights that run along the frame tubing and re-route them. See "Figure 1"
2. The winch must be assembled to the Mounting Plate before it is placed into position. Assemble the winch to the mounting plate using the supplied hardware that came with your Winch. (do not assemble the fairlead)
3. Place the Winch and Mount Assembly into position on the frame as seen in "Figure 1" (winch not shown for clarity)
4. When the mounting plate is placed into position make sure that the plate does not pinch the wiring harnesses.
5. Attach mounting plate to the frame using the supplied U-bolts, washers and nuts.
6. Assemble fairlead (not-included).
7. Using the instructions provided with your Winch, wire accordingly.

Re-Route Wiring

"Figure 1" Mount plate shown in position without Winch for location reference.
